PROPOSAL REVIEW

Members of the FCA Selection Committee will review all complete proposals and provide recommendations to the conference program organizers for approval.

A strong preference for single speaker presentations, co-presentations and/or panels exists.

Notification of acceptance will be sent to presenter(s) by **August 1, 2021**.

The Selection Process. We strive to offer a balanced program of educational sessions by selecting proposals that best fit within the framework of the conference for both operation staff as well as owners/managers.

Practical Application. Sessions conducted by practitioners that include practical, immediately applicable work tools will be given preference. The conference committee seeks presentations that will provide our attendees with information that will improve their effectiveness on the job. Do not overtly "sell" during your presentation.

Proven Speaking Ability. The conference committee seeks experienced presenters with proven speaking ability. Those with a track record of speaking and performing well at conferences will be given preference.

We expect presenters to:

- meet all deadlines;
- retain the session content, audio/visual needs as originally submitted;
- not add a co-presenter or change the identity or number of presenters without permission;
- provide high-quality handouts by the date and in the format requested two weeks before the presentation day; or give participants access to these documents on line
- honor our commitment to provide education by not showcasing or promoting the speaker's practice, services or products;
- respect the 2021 FCA Annual Conference as the sponsoring organization with positive comments from the platform, and
- **Pay for any personal/professional expenses not covered by the FCA.**

In return, we will:

- Provide a complimentary registration for the conference, including admission to the exposition, educational programs and social events;
- Pay for airfare and hotel accommodations;
- Grant you valuable professional exposure, and
- Provide feedback from attendees.
